

# Pirate Time

- 1. It takes 2 hours to clean the ship. If the pirates start at quarter past 2 what time will they finish?*
- 2. The pirates can drink a barrel of rum in 15 minutes. How long will it take to drink 5 barrels? If they start drinking at 4 o'clock what time will they finish drinking?*
- 3. It takes half an hour to share out the treasure to each pirate. How long will it take to share out the treasure to 12 pirates?*
- 4. The ship takes 1 and a half hours to sail to the other side of the island and 1 and a half hours to sail back? What time must the pirates set off to be back in time for tea at 4 o'clock in the afternoon?*
- 5. One pirate can climb the rigging in 10 minutes. How long would it take 8 pirates?*
