

Pirate Treasure hunt

Can you write some clues to lead your family on a treasure hunt around your house or garden?

Here are some examples of clues that you might want to copy. Yours do not need to rhyme.

Getting the first clue
will be a joy. Look for it
where you would put
your toy.

Now that you are
playing the game, look
in the place where we
keep your picture in a
frame.

If you want to find more
clues, look in the place
where you put your
shoes.

Get up now and walk on
your feet, you will find
the next clue under
your favorite seat.

What treasure could you hide at the end of your hunt? Could it be a letter to your family, the promise of keeping your bedroom tidy, a piece of fruit or chocolate or just the promise of a hug for the winner.

Once you have written your clues could you ask a grown up to write some clues for you so that you can go on a treasure hunt?

Good luck ship mates - have fun!
