

## Spotting Noun Phrases

**Highlight** the noun phrase and underline the head noun.  
The first has been done for you.

A huge, hairy spider is on your shoulder.

The rather nervous grey mouse nibbled slowly.

I spotted a long pink tail!

Our picnic was spoilt by relentlessly vicious wasps.

The black, shiny beetles swarmed around the dung.

A slug left a sticky, glistening trail.

The tiny, powerful crickets jumped incredibly high.

The never-resting, always-destructive moles have dug  
holes all over the lawn.
