

RE homeschool work for week beginning 15th June

Our RE topic for the next few weeks is PILGRIMAGE.

This week we will be answering these questions

- What is PILGRIMAGE?
- Why is it important to Christians?
- Where do Christians go on PILGRIMAGE?

Next week we will look at pilgrimages in other religions.

Please answer the questions on a separate piece of paper. I would love to see what you have done so please email your work to me or drop it into school.

TASK 1

Read about pilgrimages here

<http://request.org.uk/restart/2014/04/08/pilgrimage/>

and watch this video here

<http://request.org.uk/restart/2014/06/09/two-saints-way/>

Now answer these questions:

1. What is a pilgrimage?
2. What do Christians do on pilgrimage?
3. Why is pilgrimage important to them?
4. How do you think the people feel while they're on pilgrimage?

TASK 2

There are many sacred sites that Christians visit on pilgrimage.

Find out about some of them here

<http://request.org.uk/life/spirituality/places-of-pilgrimage/>

Now choose one of the sites and find out some more facts about it.

Write a paragraph about your chosen site.

You will need to say where it is and what special features it has.
