

Home Schooling Science for week beginning 15th June

This week we are looking at food chains.

1. Have a look at this BBC learner guide and do the activity and quiz that come after the short video.

<https://www.bbc.co.uk/bitesize/topics/zbnnb9q/articles/zwbtxsg>

2. Answer these questions on a piece of paper using full sentences.

Questions

What is a producer?

What is a consumer?

What is a predator?

3. Now do the food chain challenge here then answer the questions below.

<https://www.bbc.co.uk/bitesize/topics/zbnnb9q/articles/zsphrwx>

Questions

What is a herbivore? Give an example.

What is a carnivore? Give an example.

What is an omnivore? Give an example.

What is an insectivore? Give an example.

4. On a separate piece of paper draw 3 different woodland food chains.

5. Extra activity You could explore some different habitats for example the savannah or the tundra and find out about the food chains there.

I would love to see what you have been doing so please email me or drop your work into school.
