There is plenty more information on the internet if you type in Kumbh Mela ks2 or Kumbh Mela facts - but remember to check with your adults first!

TASK

Imagine that you are a tour guide taking a group of British Hindus to the Kumbh Mela festival for the first time.

Write a letter to the group to help them prepare for their visit.

You might want to advise them what to pack, where they will be staying and what sights they will see when they are there.
