

Literacy Monday

We are going to look at newspaper reports this week. I would like you to start by having a look at what makes a good newspaper report. Later in the week I would like you to write an article of your own, I am going to give you an extract of a story you could turn into a news report or you may be able to think of your own story to tell about something you found out during your biomes work. Start thinking now so you are ready on Wednesday.

We are starting by looking at this link please.
