

English

Looking, Listening & Reading

Listening to traditional tales involving a wolf character.

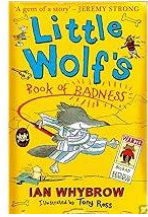

Phonics

YR ELS phases 2  
YR1 ELS phase 5.

Stories we will be using to inspire our writing:  
'Little Wolfs Book of Badness'

Talking, Acting & Writing

Using our writing skills to write a character description of the wolf to help find him.

Learning to use initial sounds to help us write about a character.

Science

My Body and Me

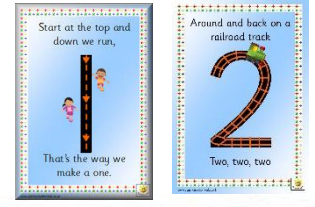

We will be learning about what it means to be healthy. We will also learn about our different senses through lots of interactive activities to use our sight, smell and sight.

We will learn that we are animals alike and begin to sort and compare animals into different groups fish, amphibians, reptiles, birds and mammals.

Maths

YR

We will be learning to recognise numbers from 1-5 in great depth. We will learn to count, write and make numbers up to 5 by adding two amounts together. We will also look at repeating patterns and shape in our environment.

Number Y1

Place value – recognising tens and ones within a given number, comparing and ordering numbers  
Addition and subtraction- finding the difference, comparing numbers.

Position and Direction | Year 1  
Describing movements and turns including left right forward backwards

Computing

We will develop the children's understanding of technology and how it can help them. They will become more familiar with the different components of a computer by developing their keyboard and mouse skills, and also start to consider how to use technology responsibly. Children will explore the world of digital art and its exciting range of creative tools with your learners.

Design & Technology

**Design**  
We will look at safe food preparation methods, preservation methods.

**Make**  
We will create

our own appetising combinations of ingredients including pulses and beans.

Geography

Children will learn to use simple maps to locate the UK and our school and to understand compass points and directions. They will also learn that England is one of the four nations and is part of the continent of Europe.

PSHE

In PSHE we will be learning about keeping ourselves physically and emotionally safe through the topics: Being a good friend and protecting ourselves from bullying, looking after those in need, rules and acts of kindness.

RE

Children will know that Christians believe God made the world, they will understand the story of Creation is found in genesis, in the Old Testament of the Christian Bible.

Later we will look at how Christians celebrate the birth of Jesus on the 25<sup>th</sup> December each year. It is also a time of celebration for non-Christians all over the world. Children will develop their knowledge of the Christmas story looking at evidence from the gospel.

Music

We will be learning to listen and respond to different styles of music and compose call and response music. The children will also be learning to sing songs ready for the Nativity play.

History

Children will be able to compare their lives to lives in the past. We will take a closer look at the types of food and packaging that were used in the past compared to now.

Hedgehog Class  
Autumn Term  
2024  
'Little Wolf's  
Book of  
Badness!'

Our focus story for this term will be 'Little Wolf's Book of Badness' by Ian Whybrow. This gripping book will enable the children to delve into traditional tales and develop their vocabulary through character descriptions. They will experience what is like to have a mischievous Big Bad Wolf in the school and become inspectors to help find him. What badness will the wolf get up to?!

PE

In P.E this term we will be learning to follow instructions and use basic skills such as hopping, skipping, jumping. We will then move onto to practising our balancing skills by using various balancing equipment.

Art & Design

**Sculptures**  
In art we will be creating a final product of a human body sculpture. Initially we will look at facial features and create our own self portraits to then move into drawing and sculpting the whole body.
